Dear Sir.

We refer to your letter no. Dy.No. 2627/2012 to inform us about the addressing of our complaint about activities of a private concern, the Tariff Commission and with the FBR.

Sir, we would like to thank you for your efforts which have helped the Government of Pakistan, in preventing mis-use of SRO's and depriving the Government Exchequer from duty and tax earnings.

Sir, furthermore I would like to thank the Federal Tax Ombudsman and his secretariat for using their good office to ensure that protection given for the development of selected sectors are utilized in their true spirits and Sir, the efforts of the Honorable Ombudsman and his team would go a long way to ensure that the Pakistani Bulk Drugs Industry (Active Pharmaceutical Ingredients Industry) develops which would help Pakistan saves its precious foreign exchange currently being spent on import of finished API's.
